Quill, 1988. Soft cover. Book Condition: New. 319 pages. From Publishers Weekly: After completing his second term as governor of Tennessee (1978-1986), Alexander spent six months in Australia with his wife and four children. As we see from this journal, the sabbatical proved to be a refreshing, educational adventure for all. Alexander is acutely perceptive and possesses the lively sense of humor essential to a skilled storyteller. The book is full of riches, including Alexander's views on conditions in China, Russia and France, countries the family visited on the way home to Nashville. Photos not seen by PW. Interwoven with these reflections is a detailed and unremarkable account of their itinerary. Although the good humor that permeates the book is appealing, the content is neither insightful nor...
