

Wargaming for Leaders Strategic Decision Making from the Battlefield to the Boardroom

By Mark L. Herman

McGraw-Hill. Hardcover. Book Condition: New. Hardcover. 264 pages. Dimensions: 9.1in. x 6.0in. x 1.1in. If you had the opportunity to probe the future, make strategic choices, and view their consequences before making expensive and irretrievable decisions, wouldn't you take advantage of it . . . Of course you would. And in a world of asymmetrical conflict, security threats, intense global competition, and economic uncertainty, there is an even higher premium on road-testing plans and strategies--whether they're spearheaded by government organizations, transnational corporations, or emerging megacommunities. . . Wargaming for Leaders provides a methodology to get at the issues that one leader, no matter how visionary, cannot grasp on his or her own. How By bringing together the real experts on the topic at hand to wage cognitive warfare. Through tapping the collective wisdom surrounding an issue, experts can experience the future in a risk-free environment and find answers to questions that had not been on their radar--often with unexpected and startling results. . . With examples from the fields of military, corporate, and public policy, three wargaming developers from Booz Allen Hamilton deliver compelling insights on this problem-solving method, including fascinating details on how. . . A large equipment manufacturer determined whether making...
