CONVERSATIONS WITH A LIGHT BEING: A GUIDE TO BEING PEACEFUL ON A CONFUSED PLANET

Createspace, United States, 2011. Paperback. Book Condition: New. 201 x 117 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt: Red and Krill are light beings from the 15th dimension. Red is our main contact. He is the light being that we speak to the most. We had been speaking to Red for about a year before writing this book. We met and befriended an older lady who wants to remain anonymous who we will call Betty at a meditation group we frequented. After finding out that we wrote books and that we were very open minded to spiritual experiences Betty told us about her friend Red. Red is an actual being from another planet. He comes to our planet through a portal. We did not know what to think at first but Betty won us over when several predictions both personal and global that Red spoke of came true. After the predictions came true we began to meet with Betty and Red and we would have conversations. Betty could actually see and communicate with Red and she would be his go between and converse back and forth between us and Red. It is an odd experience to be in his presence. Many times we would feel very spacey and expanded and time would fly by. Many times we would not know what was talked about until we listened back to our recordings. Sometimes we would even have physical symptoms from our encounters with Red such as slight headaches and disorientation. We would often need to eat or sleep after the encounter. Betty can see and speak to other beings that come through the portal however Red is the main being she communicates with. An interesting thing about Red is he seems to be an average guy...
