America a Prophecy: An Illuminated Manuscript

By William Blake

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 280 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This volume of premium cosmic horror contains a high-quality facsimile edition of William Blake's original handwritten masterpiece, an introduction by Aladdin Collar, a plain-text companion of the poems, and a diagrammatic interpretation of Blake's unique pantheon of gods. Told through dense verses of symbol and esoteric cosmology, America a Prophecy details a Revolutionary War on a metaphysical plane. Heralded by thirteen colonial angels, the Christ-figure called Ore champions love and passion over the primordial Albion, and Albion's demonic aspect, the terrible Urizen. America a Prophecy is one of 12 Illuminated Prophecies by Blake, which together represent the first modern mythological system. This approach to literature (the development of a unique, fictional cosmology) was later adapted by notable authors such as Lord Dunsany, JRR Tolkien, and HP Lovecraft, before being integrated into mainstream popular entertainment.
