

Undesired Duty: A Novel - Mahabharata Through Their Eyes

Filesize: 1.33 MB

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

UNDESIRE DUTY: A NOVEL - MAHABHARATA THROUGH THEIR EYES

Harsh Arora, United States, 2013. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.How would you like to wander around ancient India during the Mahabharata war, witness its unique customs, experience the rigid social structures, and glimpse the remote tribes while helping a young widow? Journey with Siya and experience her many trials as she tries to unravel the mystery of a strange symbol that she hopes will lead to finding her husband s killer. Unlike other retelling of mythical stories, the novel Undesired Duty is about how the lives of commoners were affected by the decisions made by the gods, kings and heroes of Mahabharata. The unfolding story is about the people who lived simple lives that caused them to struggle between the duties imposed on them and the desires they longed to fulfill. Siya is an ordinary woman who lives in a village near Dwarka. Her interests focus on music and drama. A few months before the Mahabharata war is to start, Siya is planning Leela, a festival to honor the deity Indra, when she learns of her husband s unexpected death. Her life then becomes anything but ordinary. Siya and her family first become involved in what is to be a war unlike any other when two cousins, Arjun and Duryodhan, visit Dwarka to seek help from Krishna, their divine hero. The story follows the events of the Mahabharata war and its aftermath from the perspective of Siya and her family and ends with the ultimate destruction and rejuvenation of the Yadav clan, the clan to which the Hindu deity, Krishna, belonged. Among other things, the story explores the development of symbols, culture and philosophy in early India that influence people of Indian origin today. Swastika, one...
