iUniverse, United States, 2009. Paperback. Book Condition: New. 212 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. Unhappily Ever After employs three different narrative techniques to tell the story of Rachel Rothschild, her family and friends, the wealthy young man who will become her husband and their children. Seeking to establish her own identity, other than as her rich husband s consort, Rachel works hard at becoming an investigative journalist, and she is succeeding. But then she experiences a trauma that threatens to destroy her sanity and marriage. Trying to recover her balance, Rachel, who had always been a star student, enters graduate school - in large part as a retreat from life and emotions she cannot control. The story is told in four chapters or books. The first book is an autobiography, begun when Rachel is expecting her first child. She undergoes several months of difficult community service back in the Los Angeles area. Then she reenters college as a beginning freshman at UCLA and the following year is permitted by her parents to transfer to the University of California at Berkeley. There she pursues her goal of becoming a journalist and meets the young man, JJ Weiner, whom she...
