Apologia Educational Ministries, 2011. Spiralbound. Book Condition: New. Illus. in color (illustrator). 296 p. Includes: illustrations, diagrams. Love the regular Apologia notebooking journals, but find the writing a bit too advanced for your student? Apologia's Zoology 2 Junior Notebooking Journal provides grade-appropriate activities specifically geared towards younger students who aren't as advanced in their writing abilities. Almost the same length as the regular journal, the notebooking pages are designed to suit students struggling with their handwriting and writing skills; dashed writing lines, cut-and-paste, coloring pages, and fewer writing activities make the junior notebooking journal perfect for struggling older students or easily adaptable for younger K-3 grades. Coloring pages, scripture copywork, vocabulary flip-cards, puzzle pieces, "dive deeper" ideas, diagrams to label, word bank/fill-in-the-blank, and other fun lapbooking pages are included, as well as full-color minibooks. 232 non-reproducible pages plus 64-page full-color section. Spiral bound, softcover.
