

Advance Educational Psychology

By R.N. Sharma

Atlantic Publishers & Distributors (P) Ltd, 2006. Softcover. Book Condition: New. During the course of teaching educational psychology to graduate and postgraduate students, the authors felt the need for a suitable textbook on this subject which may cover the syllabi of Indian Universities and maintain a balanced outlook. The books written by Western authors are set in Western environment and hardly cater to the needs of Indian students. An attempt has been made to provide a model textbook excluding all unnecessary elaborations and including whatever is required to maintain a good standard. The language of the book is simple and lucid. The book provides all valuable aspects of advanced educational psychology and will be of great use for students, teachers, educational planners and common readers.

1. Psychology and Education; 2. Educational Psychology and Education; 3. Methods of Psychological Study; 4. Nature and Nurture; 5. Response Mechanism; 6. Instincts and their Transformation; 7. Reviews

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).

-- Prof. Kirk Cruickshank DDS

This kind of book is every little thing and taught me to looking ahead of time and a lot more. I am quite late in start reading this one, but better then never. I found out this book from my dad and i encouraged this pdf to find out.
